We are happy to welcome the customers of Absolute Logic, Inc. to the J&M Systems, LLC family of customers.

Celebrating our 37th year, J&M Systems, LLC serves a wide variety of successful Retail, Manufacturing, and other businesses throughout the United States. Our goal is to help business owners gain control over automation to foster sustainable growth and increased prosperity.

J&M is excited for the opportunity to increase our staff with the talented employees from Absolute Logic, Inc. These new employees, along with our current support staff at J&M, will provide a greater depth of support knowledge. This new support team will offer over 100 years of combine technology experience.

J & M Systems, LLC is committed to honor outstanding support agreements as well as unused support hours from Absolute Logic, Inc. as of the transition.

After the transition is complete, Steve Schulz will be a consultant to J&M Systems, LLC and will be available for projects.

J&M is an NCR Elite Retail Partner for the Counterpoint Retail Management software and hardware. J&M is also a Gold Passport Business Solutions Partner offering integrated Accounting and Manufacturing solutions. J&M has served many of our Counterpoint, Network, Passport, and Cyber Security clients for decades.

We look forward to getting to know you, your business, and your team members as we move forward together.

Sincerely,

J&M SYSTEMS, LLC
